Deep Dish Wheels

Please add 25% to the cost for all deep dish wheels.

Loan Wheels from £50.00

Please note that a set of loan wheels is charged if only 1 or 2 wheels are being refurbished.

Damage to our tyres whilst in your care will be charged at replacement cost price.

Storage Charge from £50.00

A storage charge is applicable if storage is required and only 1 or 2 wheels are being refurbished.

Deposit for Loan Wheels

A deposit may be required depending on the type of wheels needed and a driving license number for identification.

Shadow Chrome Wheels

We never recommend shadow chroming individual wheels (one at a time) - Not because it's impossible but because it almost always leads to a visible mismatch. We always recommend a full set or at least two on the same side.

Insurance Cover

Some expensive vehicles will require their own insurance cover whilst in our possession. Please talk to the management for advice.

All prices are subject to VAT at current rate.
